INFORMATION:

We have an incredible opportunity next
June to take a large group of our students
to the Dominican Republic. We will be
working with Gus and Ileana Hernandez
and the ministry of SCORE

International. We will be able to do many
various types of ministry during this week,
including: Food Ministry; Sports Ministry;
VBS in a poor village; Construction;
Ministry at an Orphanage; and much
more. We are hoping to take over 60
people on this trip, in order to make a
huge impact in the Boca Chica area and
surrounding villages. We will have a very
full week of ministry and also have a
relaxing day to enjoy the beauty of God's
creation in the Dominican.

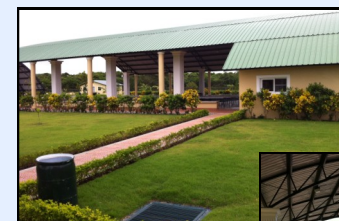

Gus and Ileana are members
of Silverdale Baptist Church
and serve as the Directors of
the Highlands Complex in the
Dominican Republic.
They both have an incredible
passion for sharing Jesus with
the Dominican people, and
are anxious to have our group
come visit them next
summer.

SCORE International is a
ministry to expose people to
short-term missions. The
purpose of SCORE
International is to Evangelize,
Encourage missionaries, and
Equip participants to do the
work of foreign missions. Our
goal is to produce career
missionaries and/or create
greater partnerships between
local churches in the USA and
foreign missionaries.

**We will stay at the Highlands Complex
which is located in the Boca Chica area.**

The Highlands is a beautiful complex
that has dorm-style housing for
large groups. They have a large covered
dining facility, as well as space
for large meetings.

The complex also has baseball/softball
fields, a soccer field, basketball courts,
tennis courts and a swimming pool.

We will spend time during the week
ministering and sharing Jesus with
handicapped children at this orphanage, and
we will also have the opportunity to minister
to some of the poorest people in the country.
