INFORMATION:

This summer we have an opportunity to take our middle school students to Memphis, TN. We will partner with Street Reach Ministry and serve the inner-city community surrounding Brinkley Heights Church. We will be able to do several different types of ministry during the week, including: "VBS-style" Bible Clubs, Community Service projects, Sports Ministry, and Light construction. We are hoping to take many of our students, so that we can love and serve the children of this community in North Memphis. There will also be a free night to enjoy some of the popular sights and food of Memphis!

BRINKLEY HEIGHTS:

"About 18 years ago, the small impoverished congregation of Brinkley Heights Baptist Church realized their heart felt need to reclaim their community for Christ. These 10 people worshiped in a building that was later condemned and had trouble maintaining the bills yet, wanted to minister to their community! Despite their situation, these people prayed that God would send in the "reinforcements" needed to help them fulfill this vision. That very summer, Brinkley Heights saw their very first mission team and God has been blessing them ever since."

ABOUT STREET REACH:

Street Reach is a non-profit ministry of Brinkley Heights located in the impoverished area of north Memphis, Tennessee. "Our purpose is to provide a cross cultural short term experience for Christian mission groups, challenging them to grow spiritually by ministering to inner city families with hands-on love and compassion."
